Letter of extension of affiliation

To

The Principal,
Atal Bihari Vajpayee Govt. Engineering Institute of Technology,
Pragtinagar, Distt. Shimla-171202 (HP)

Subject: Affiliation/extension of affiliation for the Academic Year 2014-15.

Sir,

In terms of provision under Section 5(a) of Himachal Pradesh Technical University (Establishment and Regulation) Act, 2010 and pursuant to the recommendations of Expert Visit Committee/Inspection Committee constituted for the purpose and the powers vested in him, the Vice Chancellor of this University under Section 12 (5) and 11 (7) of Himachal Pradesh Technical University (Establishment and Regulation) Act, 2010, is hereby granted/not granted provisional affiliation to **Atal Bihari Vajpayee Govt. Engineering Institute of Technology, Pragtinagar, Distt. Shimla (HP)** for conduct of following course(s) with intake indicated below for the academic year 2014-15:-

Programme	Level	Course	Intake	Remarks
B.Tech	UG	Computer Science & Engineering	60	Provisional Affiliation Granted
	UG	Electronics & Communication Engineering	60	
	UG	Civil Engineering (New Course)	60	Not approved by AICTE, Hence not granted.
	UG	Mechanical Engineering (New Course)	60	

The affiliation is subject to completion of the following deficiencies in the Institution/college pointed out by the Expert Visit Committee/Inspection Committee in their report/recommendations. You are required to submit compliance report of following discrepancies within a period of three months from the issue of this letter:

- All the posts of faculty need to be filled as per latest AICTE faculty/student cadre ratio of 1:15 & faculty cadre ratio of 1:2:6.
- Faculty should be recruited on regular basis only as minimum qualification is M.Tech. and filling posts on temporary basis does not invite either M.Tech or even best talent of engineering.

- iii. *As the institute is located in remote area (Kotkhai/Pragtinagar), Govt. should develop this institute with all amenities (i.e. shops, dhobi, tailor, post office, bank counter) and create a self sufficient residential area so that students & faculty do not have to face hardships.*

The above mentioned approval is further subject to conditions that:

- a) No excess admissions shall be made by the Institution over and above the approval of intake by the AICTE under any circumstances.
- b) The institution shall not allow closure of the Institution or discontinuation of the course(s) or start new course(s) or alter intake capacity of seats without prior approval of the AICTE.
- c) That the tuition and other fees shall be charged as prescribed by the HP Technical University/from time to time. No capitation fee shall be charged from the students/guardians of students in any form.
- d) The institution shall comply strictly with the provisions made under the Anti Ragging Regulation notified by the UGC/AICTE/State Government for prevention and prohibition of ragging; in Institution/College. In case Institution fails to take adequate steps to prevent ragging or fails to act in accordance with AICTE Regulation or fails to punish perpetrators of incidents of ragging it will be liable to any action as defined under the provisions of the Act/Regulation.
- e) The institute will follow the admission procedure, syllabus, examinations procedure and other norms/standards as laid down by the AICTE/Himachal Pradesh Technical University, Hamirpur.

Yours faithfully,

Letter of Extension of Affiliation

The Director-cum-Principal,
Atal Bihari Vajpayee Govt. Institute of Engineering & Technology,
Pragatinagar, District Shimla, (H.P.)

Subject: Affiliation/extension of affiliation for the Academic Year 2024-25

Madam/Sir,

Under Section 9 of Himachal Pradesh Technical University Act, 2014 and pursuant to the recommendations of Board of Affiliation, provisional Affiliation/Extension of affiliation is hereby granted to *Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar, District Shimla (H.P.)* for conduct of following courses for the academic session 2024-25:-

Programme	Level	Course	Intake	Remarks
B. Tech.	UG	Computer Science & Engineering	48	Provisional Affiliation Granted
	UG	Electronics & Communication Engineering	48	
	UG	Electrical Engineering	48	

The affiliation is subject to fulfillment of the following deficiencies in the Institution/college pointed out by the Expert Committee in their report/ recommendations.

- Institution is required to appoint regular faculty in the department of Electrical Engineering at the earliest keeping in view of the academic interest of the students.
- Institution is required to appoint more senior faculty i.e. Professor and Associate Professor level as per AICTE norms.
- Institution is required to appoint Non-Teaching staff as per AICTE norms.
- Faculty cadre ratio needs to be maintained as per AICTE norms.
- Institution is required to conduct / participate in all the academic activities i.e. Seminars, conferences, workshops, FDP's etc.
- Institution is required to ensure the registration/participation of all the students and faculty on SWAYAM portal/MOOC courses as per the Mandate of AICTE.
- Institution is required to establish Red Ribbon Club and Scout & Guides units in its campus.

The above mentioned approval is further subjected to following conditions failing which the process of disaffiliation may be initiated.

- No excess admissions shall be made by the Institution over and above the sanctioned intake approved by the AICTE/HPTU.
- The institution will not close or start new course(s) or alter intake capacity of seats without prior approval of the AICTE/ HPTU.

- c) Institution shall not charge tuition and other fees, other than as prescribed by the Govt. of Himachal Pradesh / HP Technical University. No capitation fee, Industrial training fee, creation of examination center, fine for attendance, etc. shall be charged from the students in any form.
- d) The institution shall comply strictly with the provisions made under the Anti-Ragging Regulation notified from time to time by the UGC/AICTE/PCI/HPTU/State Government for prevention and prohibition of ragging in Institution/College.
- e) The institute will follow the admission procedure, University Calendar, syllabus, examinations procedure and other norms/standards as laid down by the HPTU from time to time.
- f) As per provision applicable in Himachal Pradesh Technical University, Ordinance No.61, Chapter -IV, Clause 9 (ix-x) and Schedule-V, In case, any college or institution is not satisfied with the decision of the University regarding grant/extension of affiliation, an appeal can be made to the Standing Appeal Committee for reconsideration of the decision with necessary supporting documents.
- g) As per the roster received from the State Govt. of HP the multiplication factor of 1.22 shall be followed to maintain the prescribed percentage of reservation for EWS. Thus, intake of seats for course with intake of 30, 40 and 60 would be increased to 37,49 and 73 respectively (i.e. existing intake x 1.22).

Submission of compliance report is required in respect of above deficiencies along with documentary evidence within a period of two months from the date of issuance of this letter.

Memorandum of Understanding (MoU)

This Memorandum of Understanding (MoU) is made between.

- (A). Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar Shimla and
- (B). Dr. Yashwant Singh Parmar University of Horticulture and Forestry, Solan.

Atal Bihari Vajpayee Government Institute of Engineering and Technology (ABVGIET), a premier engineering institution established in the year 2011 under the Society Registration Act by the Government of Himachal Pradesh. This institution is situated at Pragatinagar in beautiful apple growing valley on the bank of river Giri Ganga about 60 Km from Shimla. At present, ABVGIET is running three under graduate programmes leading to B.Tech degree in Computer Science & Engineering, Electronics & Communication Engineering and Electrical Engineering. This institution also offers four Diploma programmes in Electrical Engineering, Computer Engineering, Electronics & Communication Engineering and Mechanical Engineering. ITI is running five courses i.e. Electrical, Electronics, Fitter, Draughtsman and Motor Vehicle Mechanic.

AND

Dr Y S Parmar University of Horticulture and Forestry, Solan. was established on 1st December, 1985 with the objective to promote education, research and extension education in the fields of Horticulture, Forestry and allied disciplines. Late Dr Yashwant Singh Parmar, the first Chief Minister and the architect of Himachal Pradesh perceived the importance of horticulture and forestry to develop and improve the State economy which led to the establishment of this University. Its history lies in erstwhile Himachal Agricultural College, Solan, established in 1962 and affiliated to the Panjab University. It became one of the campuses of Agricultural Complex of Himachal Pradesh University in 1970. Consequent upon the establishment of Himachal Pradesh Krishi Vishwavidyalaya in 1978, this campus became its Horticulture Complex and finally in 1985 assumed the status of a University, being the only University in the country engaged exclusively in teaching, research and extension in horticulture and forestry. The University is located at Nauni, Solan district of Himachal Pradesh, 13 Kms from Solan on Solan-Rajgarh road at an elevation of 1300 metres above mean sea level. The University has four constituent Colleges, out of which two located at the Main Campus, Nauni, one for Horticulture and other for Forestry having nine and seven departments respectively. The third College of Horticulture and Forestry is located at Neri in Hamirpur district of Himachal Pradesh and the fourth College of Horticulture & Centre of Excellence for Horticulture Research and Extension at Thunag, Mandi district of the State. In addition, there are six Regional Horticultural, Research and Training Stations, nine Research Sub-Stations and five Krishi Vigyan Kendras situated in different agro climatic zones of Himachal Pradesh for area specific research and transfer of technology for the sustainable development.

Both Dr. Yashwant Singh Parmar University of Horticulture and Forestry, Solan and Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar Shimla are Govt. funded institutions in higher and technical education in the country. To promote academic and Research co-operation and the development of these two institutions as center of excellence of higher and technical education and scientific research, the two institutions agree to the following broad term of co-operation in the fields of Landscaping, Food Processing and Apple Cultivation:

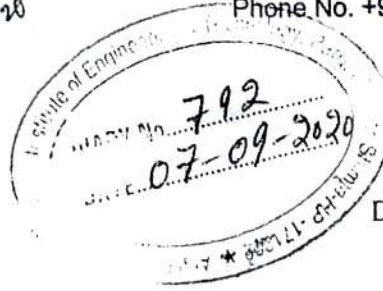

- i. Within fields that are mutually acceptable, the parties intend to pursue the following general form of cooperation:
 - (I) Exchange of scientific and technical information.
 - (II) Visits and exchange of students for the purpose of study and research in the areas of mutual interest.
 - (III) Exchange of information including, but not limited to, exchange of library material and research publication.
 - (IV) Joint research activities.
 - (V) Undertaking collaborative research activities through participation in nationally and internationally funded projects.
 - (VI) Jointly organize events such as seminars, workshops, conferences and training programs.
 - (VII) Jointly work together for conducting Faculty Development programs.

8th August, 2021

Subject: "Resolves@75" - Fit India Freedom Run 2.0

Respected Madam/ Sir,

As a part of the celebration of 75 years of India's Independence, "Azadi Ka Amrit Mahotsav" has commenced with active participation of all stakeholders. In this regard, with reference to Secretary, Higher Education, Ministry of Education's letter DO No 11018/6/2021-EBSB dated 5th August, 2021 on the above mentioned subject to commemorate the occasion, "Resolves@75", Fit India Mission has conceptualized Fit India Freedom Run 2.0.

The nationwide virtual launch of Fit India Freedom Run 2.0 by Hon'ble Minister of Youth Affairs & Sports, Shri Anurag Singh Thakur and Hon'ble Minister of State, Youth Affairs & Sports, Shri Nisith Pramanik will be held on 13th August, 2021 with the aim to make a call by all citizens to include physical activity of at least 30 minutes daily in their lives i.e. **FITNESS KI DOSE AADHA GHANTA ROZ**. A concept note on "Fit India Freedom Run" is enclosed in this regard.

The Ministry of Youth Affairs & Sports (MYAS) will also organise 750 events across India and conduct physical/virtual Freedom Run events. Aligning with this vision, Higher Educational Institution (HEIs) are requested to encourage the students and faculty members to actively participate in these events, and promote on Social Media Channels with #AzadiKaAmritMahotsav and #Run4India.

You are requested to kindly share details of participation in these events on the University Activity Portal of UGC at www.ugc.ac.in/uamp.

With kind regards,

Yours sincerely,

(Rajnish Jain)

Student Exit Survey

Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar, Shimla.

Name of Department: Electronics and Communication Engineering
Batch: 2016-2020

Note: This questionnaire has been designed by ABVGIT Pragatinagar to seek a feedback from the students to strengthen the quality of teaching-learning environment and to look for opportunities to improve teacher's performance in classroom engagement with students to bring excellence in teaching and learning. The SWOT analysis will help the department to analysis its status and to make strategic planning for its growth.

Strengths, Weaknesses, Opportunities and Threats (SWOT) analysis of ECE dept. of ABVGIIET Pragatinagar

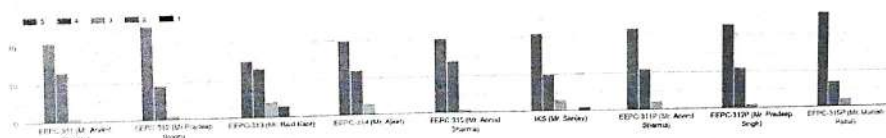

SWOT stands for Strengths, Weaknesses, Opportunities, and Threats. Strengths and weakness are frequently internally-related, while opportunities and threats commonly focus on the external environment. The name is an acronym for the four parameters the technique examines:

Strengths: Characteristics of the College that gives an advantage over others.
Weaknesses: Characteristics of the college that place the college at a disadvantage relative to others.
Opportunities: Elements in the environment that the college could exploit to its advantage.
Threats: Elements in the environment that could cause trouble for the college.

Strengths of ECE dept. of ABVGIET Pragatinagar

20 responses

Strength of ECE dept. Of ABGIET prgatinagar is to provide theoretical knowledge to students. They are best in it.

1.Hard working staff

2.Interactive teaching style

3. All concept must be cleared which help us to easily apply in industries to make an advance product

4.All types of machines related to our subject present in the college lab

5. All type of latest microcontroller available in college which help us to remain update to today's generation technology

6. Teacher guide student alot so that he or she can easily focus on the concept for project

7. Project work or research work on latest technology

8. Best place for earning alot knowledge about_electronics

9. Teachers generate too much positive environment so that he or she never lost interest from electronics.

Good skills

- 1) instruments and govt. funding at best level for software and hardware
- 2) collaborations with premiere instuties
- 3) hardworking staff

1 qualified faculty

- 2 good correlation between teachers and students
- 4 dedicated faculty members

1. Well qualified faculties.

2. Well developed implementation Good.
3. Earned autonomy of the institute.

Academic staff is qualified and committed

Active participation in the college development

1. Nice study material provided by teachers

1. Well qualified faculty
2. Great lab facilities

Copy

PO 5. Modern tool usage

3. Healthy environment
4. Financially good

A well discipline virtual environment for student to explore skills .

Good Faculty

Well qualified faculty

Our HOD is one of the person I have seen

Having Good information into their subjects

High teaching skill.
Good Cooperation

Qualified faculty
Excellent theoretical knowledge is given

8

1. The college has good and very hardworking staff.
2. The area is good for study without any distractions.
3. smart classrooms.

Helping and cooperative staff, evolving and knowledge nurturing department environment,
equiped labs

Providing proper notes

Weaknesses of ECE dept. of ABVGIET Pragatinagar

21 responses

The weakness of ECE dept. Is to provide the practical knowledge to students. The faculty for providing practical knowledge is not good. And there should be equal importance should be given to practical knowledge like theoretical. Because at end of the day only practical knowledge matters

Extra classes will be increased so that student increase their capacity of learning

No

- 1) lack of awareness and motivation for students for engineering disciplines accept for a part of students who are good in their academics
- 2) bulling of academically weak students by staff rather they must taught optimism and motivated for doing technical stuff and must e treated fairly not partially
- 3) less experienced staff

- 1 lack off effective security in the campus
- 2 lack of auditorium, not proper canteen
- 4 communication skills of students

1. Less stress on sports events.
2. Institute lags in research activities.
3. Industrial relationships.

Inability to cope up with changing technology and ECE faculty have less experience related to computer field

Some of teachers are very cruel towards some students

1. Poor internet facility
2. Lack of extra curricular activities
3. Poor medical facilities
4. Bad canteen and less no. Of hostels
5. Bad infrastructure
6. Less stress on sports events
7. Less practical knowledge given to student.

Specifically focus on syllabus only

No managemnet staff

Lack of extra curricular activities,
Bad infrastructure
Very less industrial visits
Less practical work

to students. The faculty for
-ance should be

less

They have only bookish knowledge, nothing professional seems to be their with their attitude

No comment

Lack of practical knowledge of the subjects.
No research work
More and more industrial visit

4

I don't think that the ABVG IET has weaknesses.

- Lack of platforms to show talents.
- Lack of companies interested in the college for placement.

Lack of placement in core ece, lack of research orientation, no proper library access i.e 24hrs

Nc

Opportunities for ECE dept. of ABVG IET Pragatinagar

19 responses

I can't remember any

Guide more and more so that student never lost their interest and work on real time project

Yes

- explore more in labs and more opportunities to grow technically

1 various guest lecturers arranged.

- Notice board give information about all level of competitions and about vacancy of any govt. and non govt. job.

Enhanced technological capability

Get help with pcb

- Various guest lectures arranged.

Depends upon individual choices

By increasing number of faculties department can do much better

So many

Don't know but some can achieve a lot .

Wide

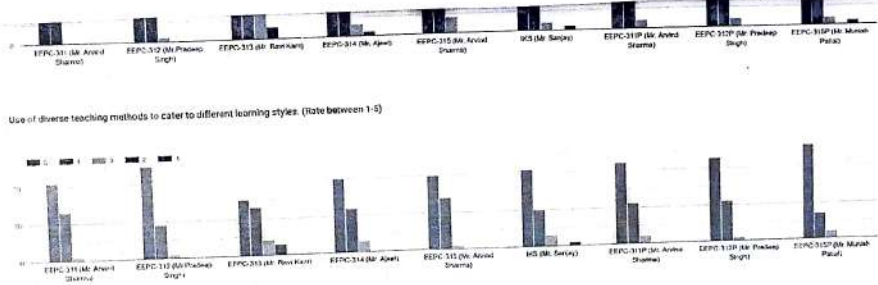

More research activities, programming language should be added in the curriculum

6

- MNC's for placement .

Have huge potential in research and technically making students strong right from the UG level, more opportunities for developing the overall personality of students should be focused upon

NC

Threats for ECE dept. of ABVGIEET Pragatinagar

18 responses

No threats

students indulging in bad habits due to lack of technical awareness and cocurricular activities such as sports ,cultural etc

1 discipline problem in the near by area

1. Less chance of placement.

Enrollment of students are decreasing

Must not detain students

1. Fewer admissions

No

Declining strength of students in ECE Department

Scope of ECE department lacking behind because of lack of knowledge.

CSE department

Let the college students live their life, it's their time to enjoy the moments because life is so long for studies.

None

They are more concern about theory but students are enable to implement it practically

3

1. Intoxications.

Lack of placement opportunities , negative publicity from the university representative regarding the location of infrastructure of ABVGIEET

Nc

Any other feedback:

16 responses

No

Best wishes

More and more companies should come to college for placement.

Please improve the college campus .campus is so poor

Thanks

Faculty of Ece department is quite good . But i would like to suggest that students must be given some practical knowledge regarding their subjects and about some commonly used language in industry . Some groups must be formed regarding this and assigned teacher should check the progress time to time.

There should be management staff in ABVGIEET other than faculty members .

Please make sure that library should be open atleast during the college hours (each working day.)

Keep inspired children like u r

One day you all will be proud of me ☺

More focus on practical study

Equipments are not proper in laboratories,

Good college.

It's really nice to be a part of ABVGIEET family tree and I wish every flower that will blossom on this tree will keep contributing a lot for the betterment of mankind.....#delighted to be a part of such a memorable 4 year trip at ABVGIEET

Diary No.

Sir

With due respect we wish to state that we are the students of B.Tech Wing at your institution and we would like to establish a soft skills/language club under the guidance of Ms. Divya Sharma of our institute.

This soft skills/language club will enhance our intellectual as well as vocabulary skills. This club will also provide a platform to the students to overcome their fear of public speaking. Students will not only learn to be creative but will also be able to express themselves more confidently and these students can become an asset to the institute in the form of anchors, orators, comparers, etc.

Therefore, kindly grant us the permission to establish this club. We shall be thankful to you.

Yours faithfully
B.Tech. Students

Memorandum of Understanding (MoU)

This Memorandum of Understanding (MoU) is made between,

- (A). Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar Shimla and
- (B). Dr. Yashwant Singh Parmar University of Horticulture and Forestry, Solan.

Atal Bihari Vajpayee Government Institute of Engineering and Technology (ABVGIET), a premier engineering institution established in the year 2011 under the Society Registration Act by the Government of Himachal Pradesh. This institution is situated at Pragatinagar in beautiful apple growing valley on the bank of river Giri Ganga about 60 Km from Shimla. At present, ABVGIET is running three under graduate programmes leading to B.Tech degree in Computer Science & Engineering, Electronics & Communication Engineering and Electrical Engineering. This institution also offers four Diploma programmes in Electrical Engineering, Computer Engineering, Electronics & Communication Engineering and Mechanical Engineering. ITI is running five courses i.e. Electrical, Electronics, Fitter, Draughtsman and Motor Vehicle Mechanic.

AND

Dr Y S Parmar University of Horticulture and Forestry, Solan, was established on 1st December, 1985 with the objective to promote education, research and extension education in the fields of Horticulture, Forestry and allied disciplines. Late Dr Yashwant Singh Parmar, the first Chief Minister and the architect of Himachal Pradesh perceived the importance of horticulture and forestry to develop and improve the State economy which led to the establishment of this University. Its history lies in erstwhile Himachal Agricultural College, Solan, established in 1962 and affiliated to the Panjab University. It became one of the campuses of Agricultural Complex of Himachal Pradesh University in 1970. Consequent upon the establishment of Himachal Pradesh Krishi Vishwavidyalaya in 1978, this campus became its Horticulture Complex and finally in 1985 assumed the status of a University, being the only University in the country engaged exclusively in teaching, research and extension in horticulture and forestry. The University is located at Nauni, Solan district of Himachal Pradesh, 13 Kms from Solan on Solan-Rajgarh road at an elevation of 1300 metres above mean sea level. The University has four constituent Colleges, out of which two located at the Main Campus, Nauni, one for Horticulture and other for Forestry having nine and seven departments respectively. The third College of Horticulture and Forestry is located at Neri in Hamirpur district of Himachal Pradesh and the fourth College of Horticulture & Centre of Excellence for Horticulture Research and Extension at Thunag, Mandi district of the State. In addition, there are six Regional Horticultural, Research and Training Stations, nine Research Sub-Stations and five Krishi Vigyan Kendras situated in different agro climatic zones of Himachal Pradesh for area specific research and transfer of technology for the sustainable development.

Both Dr.Yashwant Singh Parmar University of Horticulture and Forestry, Solan and Atal Bihari Vajpayee Govt. Institute of Engineering & Technology, Pragatinagar Shimla are Govt. funded institutions in higher and technical education in the country. To promote academic and Research co-operation and the development of these two institutions as center of excellence of higher and technical education and scientific research, the two institutions agree to the following broad term of co-operation in the fields of Landscaping, Food Processing and Apple Cultivation:

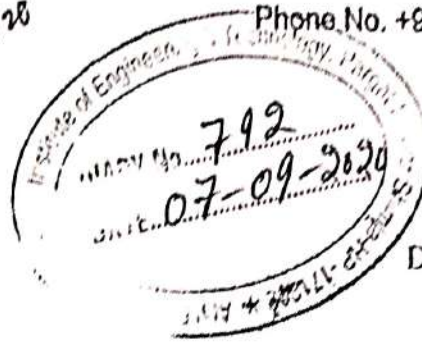

1. Within fields that are mutually acceptable, the parties intend to pursue the following general form of cooperation:
 - (I) Exchange of scientific and technical information.
 - (II) Visits and exchange of students for the purpose of study and research in the areas of mutual interest.
 - (III) Exchange of information including, but not limited to, exchange of library material and research publication.
 - (IV) Joint research activities.
 - (V) Undertaking collaborative research activities through participation in nationally and internationally funded projects.
 - (VI) Jointly organize events such as seminars, workshops, conferences and training programs.

Subject: Regarding MoU

R/Sir,

I am thankful to you for showing interest in signing this MoU between Jaypee University of Information Technology (JUIT), Wagnaghat, Solan, H.P. and Atal Bihari Vajpayee Govt. Institute of Engineering & Technology (ABVGIET), Pragatinagar, Shimla, H.P.

I am also thankful for appointing the Nodal officer from your Institute. From JUIT, Dr. Rajiv Kumar, Associate Professor and Head, Department of Electronics and Communication Engineering, Mobile No: 9816365801 and email: rajiv.kumar@juit.ac.in is being nominated as Nodal officer.

One signed copy of MoU is attached herewith and another copy of MoU has been kept with JUIT for record.

DECLARATION

We hereby declare that the work reported in the Project Report entitled to "Estimation and Design of a 22/0.4 kV Substation" for ABVGJET Pragathiagar, Shimla H.P - (171202) and "VEHICLE ACCIDENT ALERT SYSTEM" submitted at Atal Bihari Vajpayee Government Institute Of Engineering And Technology, Shimla - (171202), India is an authentic record of our work carried out under the supervision of Prof. (Dr.) Umesh Chand Rathore. We have not submitted this work elsewhere for any other Degree.

This is to certify that the above statement made by the candidates is correct to the best of my knowledge.

ABSTRACT

This report presents a comprehensive analysis of the design, construction, and operational aspects of a 22/0.4 kV unmanned substation, covering an area of 702.8 square meters and equipped with four transformers, each rated at 630 kVA. The substation is controlled and monitored remotely through a Supervisory Control and Data Acquisition (SCADA) system, enabling efficient real-time management without on-site personnel. The primary function of this substation is to step down high-voltage 22 kV transmission power to 0.4 kV for safe and reliable load management. The design considerations include transformer and switchgear selection, site layout, and equipment sizing, with specific focus on automating processes through SCADA for remote control and fault detection.

The SCADA system allows for real-time monitoring of critical parameters such as voltage, current, power factor, and transformer status, ensuring optimal performance and reducing downtime. This integration also provides automated fault detection and isolation, enhancing operational safety and reducing the need for human intervention. The report details the protection mechanisms employed in the substation, such as relays, circuit breakers, and automated protection schemes controlled via SCADA. The system's grounding and earthing strategies, which are essential for ensuring operational safety and mitigating electrical hazards, are thoroughly analyzed. Additionally, the substation's communication infrastructure is explored, including the integration of remote data acquisition and control features that enable seamless coordination with the broader electrical grid.

Operational performance is assessed using load flow analysis, showcasing the substation's ability to manage power distribution efficiently, reduce transmission losses, and maintain voltage stability. Environmental considerations such as transformer cooling, noise reduction, and fire protection are also addressed, ensuring compliance with industry safety standards and minimizing ecological impacts. Furthermore, the report provides insights into the advantages of unmanned substation operations, including cost savings, enhanced reliability, and reduced maintenance requirements.

Abstract

Solar energy is a renewable source of energy which we want to install in our institution. In this project we want to install solar panels on the south side of the roof of a building, aiming to provide comprehensive analysis of factors influencing the efficiency and sustainability of renewable energy systems. The research encompasses site selection, photovoltaic technology, and installation methodologies. In this project work, we have taken the data from our institute like dimensions of the roof and we have prepared an estimate like size of the panels and an approximate cost of this project. We have taken the estimated cost of the panels from the agencies which are installing these solar panels in our state and country.

National Project Implementation Unit

(A UNIT OF MINISTRY OF HUMAN RESOURCE DEVELOPMENT, GOVERNMENT OF INDIA FOR IMPLEMENTATION OF WORLD BANK ASSISTED PROJECTS IN TECHNICAL EDUCATION)

Dated: 24th October, 2021

To,
The Vice Chancellors/ Principals/Directors
All TEQIP institutions/ Universities

Subject: TEQIP-III: Appreciation for your dedicated efforts in making TEQIP-III a most successful project - Reg.

Dear Madam/ Sir,

It gives me an immense pleasure to share with you that the project TEQIP-III has been concluded successfully on 30th September 2021 and has been graded on a satisfactory note by the World Bank and other stakeholders.

I appreciate the untiring efforts taken by you, as a head of the institution, and your team of TEQIP Coordinator, Nodal Officers and associated staff for effective implementation of the project and ensuring the delivery of desired results. As you are aware that unlike previous phases, the current phase was DLI based and of shorter duration and more so we lost significant amount of time in overcoming teething problems at the beginning of the project. In spite of all these odds the project could achieve all the DLIs and KPIs in the stipulated time period which became possible only because of enthusiasm and energy you and your team has worked with. You have always been ready with eagerness and dynamism for various reforms the project has introduced. Our partnership has yet again proved that "Working Together Works".

I have witnessed persistent efforts taken by each one of the stakeholders of the institutions during the project period of 4.6 years and even during the Covid-19 pandemic to achieve the project objectives thereby benefitting the student community. The institution despite of several difficulties and hardships, still continued to demonstrate the progress in every single activity, reforms and the key performance indicators.

I sincerely thank all project functionaries for providing indefatigable support as well as guidance to NPIU, SPIU and in particular to me personally for smooth implementation of the project. The overall journey with you has been very pleasing and ever encouraging and also, we learnt many things from you.

I hope that you will continue the same momentum for closure activities and particularly for sustainability of the reforms initiated during the TEQIP-III as well as for future projects of Ministry of Education, GoI.

Once again, my sincere thanks to one and all, and best wishes for the betterment of the technical education in the country.

Regards,

Yours faithfully,

Prof (Dr.) P.M Khodke
