**ABVGIT, Pragatinagar**  
**Report on Celebration of National Science Day**  
**Date: 28th February 2026**  
**National Science Day – 28 February 2026**

The **National Science Day** was celebrated on **28th February 2026** at **ABVGIT, Pragatinagar** under the aegis of the **Institution's Innovation Council (IIC)**. The programme was organized with great enthusiasm and active participation from the **B.Tech. students and faculty members**.

## Objective of the Programme

The celebration was organized with the following objectives:

- To commemorate the discovery of the *Raman Effect* by Sir C. V. Raman.
- To promote scientific temper and innovation among students.
- To encourage research, creativity, and problem-solving skills.
- To motivate students towards start up ideas and technological advancements.

## Programme Highlights

The event commenced with a welcome address by the undersigned (Coordinator, IIC), emphasizing the significance of science and innovation in nation-building.

The following activities were conducted:

1. **Expert Talk:**  
A faculty lecture highlighting the role of science and engineering in sustainable development and emerging technologies.
2. **Poster Presentation:**  
Students presented posters on recent scientific advancements, including renewable energy, artificial intelligence, and environmental sustainability.
3. **Project Demonstrations:**  
B.Tech. students showcased innovative working models and mini-projects developed as part of their academic curriculum.
4. **Interactive Session:**  
A question-answer session was conducted to foster curiosity and enhance scientific thinking among participants.

## Participation

A total of **55 students** from various B.Tech. branches, including CSE, ECE, EE, and Civil Engineering, actively participated in the programme. Faculty members also extended their full support and encouragement throughout the event.

## Outcome of the Event

The programme successfully created awareness about the importance of science in everyday life and inspired students to think innovatively. It strengthened the research culture within the institute and aligned with the objectives of the Institution's Innovation Council (IIC) in promoting innovation and entrepreneurship. The event concluded with a vote of thanks, expressing sincere gratitude to the Principal, faculty members, and students for their valuable support and active participation.
