No. 287

Dated: 13.08.2026

OFFICE ORDER

All students and faculty members are hereby informed that the registration for backlog classes for the current odd semesters is now open. Students wishing to register for backlog courses must strictly adhere to the guidelines established by Himachal Pradesh Technical University (HPTU).

HPTU Ordinance Guidelines for Backlog Registration:

In accordance with Clause 11(f) of HPTU Ordinance No. 12, the following rules apply for backlog course registration during the odd semesters:

5th Semester (V) Students: Permitted to register for a maximum of one (1) backlog course.

7th Semester (VII) Students: Permitted to register for a maximum of two (2) backlog courses.

Maximum Credit Limit: The total number of registered credits (including both regular semester courses and backlog courses) must not exceed a maximum of 35 credits.

Important Instructions for Students:

Syllabus Verification: Students registering for backlog courses from earlier semesters (e.g., 1st or 3rd) must consult their respective course coordinators prior to applying. This is to ensure the syllabus has not changed considerably due to the transition from the CBCS to the NEP scheme.

Application Process: Eligible students must apply in the attached format for backlog registration to the Academic Section by 17.08.2026.

Ordinance Link: For full details on academic regulations, students can review the official university ordinances at <https://www.himtu.ac.in/ordinances/>.

Instructions for Class In-charges:

Please disseminate this information among the students in your respective classes.

Course coordinators and Class In-charges are requested to verify the total credit count of applying students to ensure no student exceeds the 35-credit limit set by the university.

For any further clarification regarding course codes, syllabi, or credit calculations, please consult your respective department heads or the academic office.
