**Report on Guest/Expert Lecture**  
**Topic: "Integration of Drying Droplets and Machine Learning for Disease Diagnosis"**

**Speaker: Dr. Anusuya Pal**

**Date: 27th March 2026**

**Time: 3:00 PM – 4:15 PM**

**Mode: Online**

An online guest lecture on "*Integration of Drying Droplets and Machine Learning for Disease Diagnosis*" was organized on **27th March 2026** for the students of **4th and 6th semesters of all branches (CSE, ECE, EE)** at **Atal Bihari Vajpayee Government Institute of Engineering & Technology (ABVG IET), Pragatinagar.**

The session was delivered by **Dr. Anusuya Pal, Postdoctoral Research Fellow**, and was conducted in accordance with the official order issued by the institute. The lecture was attended by a large number of students and faculty members through an online platform (Google Meet).

**Overview of the Session:**

Dr. Anusuya Pal delivered an insightful and highly engaging lecture focusing on the intersection of **colloidal physics, drying droplet patterns, and machine learning applications in disease diagnosis.**

The key highlights of the session included:

- Introduction to **drying droplet analysis** and its significance in biomedical diagnostics.
- Explanation of how **pattern formation in droplets** can be used to detect abnormalities in biological samples.
- Integration of **machine learning techniques** to analyze droplet patterns for accurate disease prediction.
- Discussion on **real-world healthcare applications**, especially non-invasive diagnostic approaches.
- Insights into **interdisciplinary research**, combining physics, data science, and medical science.
- Guidance to students regarding **research opportunities, higher education abroad, and academic career pathways.**

The lecture was supported with presentation slides demonstrating **pattern evolution (initial stage, fluid movement, crack formation, final stage)** and their correlation with disease detection, making the session highly informative and practical.

**About the Speaker:**

Dr. Anusuya Pal is a **Postdoctoral Research Fellow** with strong research expertise in:

- Colloidal Physics
- Machine Learning Applications in Healthcare
- Pattern Analysis and Experimental Physics

She has been associated with prestigious international institutions such as:

- **WPI (USA)**
- **University of Tokyo (Japan)**
- **University of Warwick (UK)**

Her research focuses on **innovative diagnostic techniques using physical phenomena and AI**, making her work highly relevant in modern interdisciplinary science.

### Visual Glimpses:

The lecture witnessed active participation from students, as evident from the screenshots captured during the live session.

The images reflect:

- Live interaction with **Dr. Anusuya Pal** presenting from her research lab setup
- Students attending through **Google Meet** in large numbers
- Presentation slides showcasing:
  - Drying droplet evolution
  - Machine learning integration
  - Research journey and motivation
- Active engagement and attentive participation by students

The session timing and participation details (as visible in the screenshots) indicate:

- Duration: Approximately **1 hour 15 minutes**
- Participants: **CSE, ECE, EE (4<sup>th</sup> and 6<sup>th</sup> Semester students)**
- Platform: **Google Meet**

These visuals provide authentic documentation of the lecture proceedings and student involvement.

**Coordination:**

The session was smoothly conducted under the coordination of:

- **Sh. Anuj Gupta**, Assistant Professor, CSE
- **Sh. Gopal Chand**, Workshop Instructor, ECE
- **Ms. Sujata**, Lab Attendant, CSE

Their efforts in organizing the lecture, ensuring smooth execution, and managing student participation are highly appreciated.

**Conclusion:**

The guest lecture was highly informative and beneficial for students, providing exposure to **advanced research areas combining physics and machine learning**. It helped students understand how fundamental scientific concepts can be applied to solve real-world healthcare problems. The session also inspired students to explore **research-oriented careers and interdisciplinary domains**.

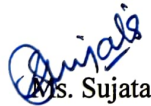

The event was also coordinated by Mr. Piyush Thakur (Alumni, B.Tech CSE Passout 2023) who is currently working in CSIO Chandigarh.

The event concluded with a **Vote of Thanks** presented by **Sh. Anuj Gupta**, acknowledging the speaker's valuable time and insights.

**Prof. (Dr.) Rakesh Kumar**, Director/Principal of ABVGIET, extended his appreciation to Dr. Anusuya Pal and the coordinators for their contribution to academic enrichment.

Office order and attendance are also attached herewith for your reference.

The above report is submitted for your information and necessary action please.

Dated: 23.03.2026

**OFFICE ORDER**

An Online Lecture on “Integration of Drying Droplets and Machine Learning for Disease Diagnosis” organized by Dr. Anusuya Pal, Postdoctoral Research Fellow, is being conducted in this institution on 27<sup>th</sup> March, 2026 from 3:00 PM to 4:00 PM in the College Auditorium.

All the students of 4<sup>th</sup> & 6<sup>th</sup> semester of all branches are hereby directed to attend the Lecture as per the schedule.

Expenditure will be born out of SWF.
